

I take a cloth or a sponge.

I take a cleaner for the shower, the bathroom, or multi-surfaces.

I take gloves and put them on.

I remove all the items from the shower.

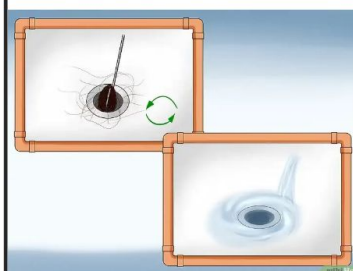

If I have a spray, I spray the walls. Otherwise, with my cloth and cleaner, I wipe the shower walls.

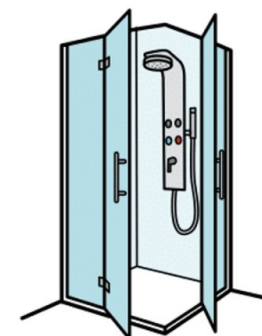

With my cloth or sponge and my cleaner, I scrub the faucets everywhere.

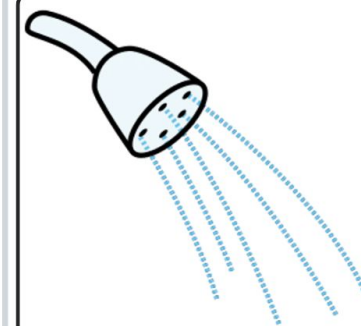

With my cloth or sponge, I scrub the showerhead.

Using my finger, I remove hair or other dirt from the shower drain.

With my cloth and my cleaner, I scrub the shower floor.

I rinse the walls, the floor, and the showerhead.
