

I go to the bathroom

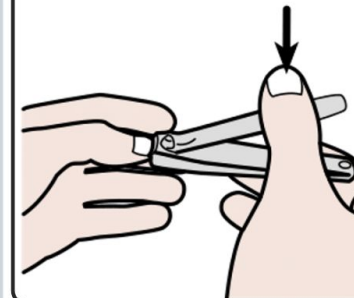

I find the nail clipper

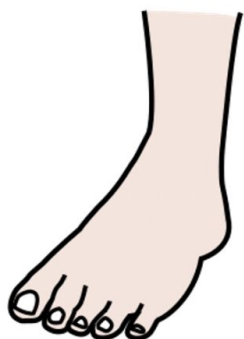

**I stand in front of
the sink.**

**I need to cut the
white part of the
nail.**

**I must cut my nails
gently. Otherwise, I
can hurt myself!**

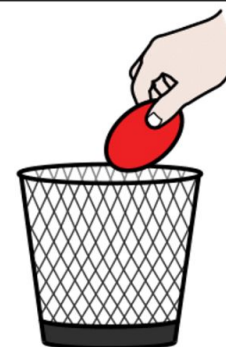

**I start with the left
foot**

**I continue with the
right foot**

**I look at the feet to
see if I have
forgotten anything**

**I throw the nail
clippings into the
bathroom trash.**

I wash my hands
