

I count the number of people who are going to eat.

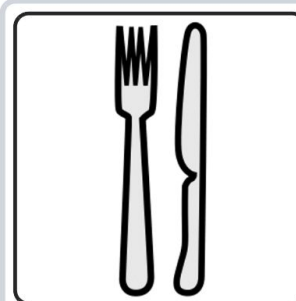

I check if there are enough chairs for everyone.

I put the tablecloth on the table.

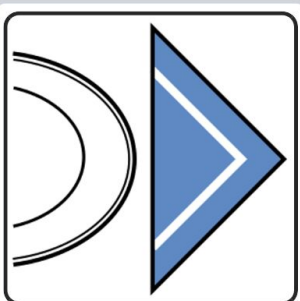

I place the plates on the table. If there are three people, I put three plates.

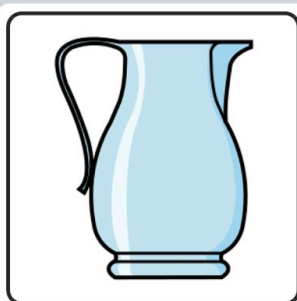

I add the cutlery next to each plate.

I put the glasses in front of each plate.

I put a napkin next to each plate.

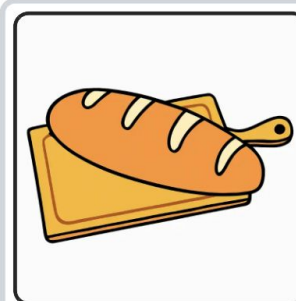

I fill a carafe with water and place it on the table.

I put the pepper on the table.

I put the salt on the table.

I bring bread on a board.
