

I take a cloth and pour a little water on it.

I take a cardboard box or a box.

I take a vacuum cleaner, I will use it later.

If the room is very messy, I take breaks between each step.

I put the dirty laundry away and put it in the basket.

I take a garbage bag and throw away all the trash I see.

I put the dishes in the sink.

I sort the objects that are not in their place. I put clothes with clothes, books with books, toys with toys.

I take the box. I put the objects that should not be in the room inside the box.

I put away the clothes and shoes.

I arrange the books or decorative items.

I put away the toys.

I take the box out of the room.

With the slightly damp cloth, I gently rub the lamps and lights.

If the mirror is dirty, I gently wipe it with the cloth. If it leaves streaks, I use the glasses cloth to dry it.

I rub the cloth on the desk, the cupboards, the window sills, the nightstand.

I vacuum the entire floor of the bedroom. I do not forget under the bed.

I make the bed.

I put the vacuum cleaner back in its place.

I clean and put away the cloth.
